TERMS AND CONDITIONS

All following sections form part of the terms and conditions of the ordering process, and final sale of your trailer. Please ensure you understand all aspects of this process, and please reach out to us at any time with any questions.

How to pay for your Escape

In order to secure your trailer completion date, we require a deposit of 2,000 USD which is initially refundable, less Payment Processor fees of 150 USD. Upon confirmation of your options, the full deposit amount becomes non-refundable.

The preferred payment method for the initial deposit is by credit card, and we are pleased to accept Visa, Mastercard, American Express, and Discover Card.

The remaining balance due becomes payable upon the completion date for your trailer. Payment options for the trailer balance include Wire Transfer, Cashiers Check (US customers), and Bank Drafts (Canadian customers).

Please note that we only accept credit card payments for the initial trailer deposit (to a maximum of 4,000 USD), and not for any part of the remaining balance on your trailer. Credit card payments above 4,000 USD will be subject to a 3% fee.

Note that trailers will not be released for delivery or collection until payment has been processed for the full balance owing.

Build Sheet Confirmation

Please ensure accuracy and completeness of options selected before signing off your build sheet. **Note that changes cannot be made once your trailer enters production**, and that the full amount of your deposit becomes non-refundable at this time. Please also confirm all supplied details - including address and correct spelling of names - are accurate. Once your trailer enters production, we will begin preparation of paperwork which will allow title and registration of your trailer. If incorrect data is submitted, an administrative charge will apply, and this may also result in a delay in receipt of paperwork.

From time to time, and as part of continuous product development, Escape Trailer Industries will update components when necessary. Whilst we will attempt to communicate such changes, Escape Trailer Industries retains the right to update components without notifying the customer.

We aim to keep all information current, but options pricing may change without notice. We guarantee to lock in prices once build sheets are confirmed.

By signing below, you confirm accuracy and completeness of all options selected, and that all supplied personal information has been accurately recorded.
